

GRUTKE et al., Ser. No. 10/088,407

REMARKS

Claims 1-4, 7-14 and 17 are pending. Applicants have amended claim 17 consistent with the previous amendment to claim 1 and rewritten claim 17 in independent form. Claim 17, using the transitional phrase "consisting essentially of", is narrower in scope than claim 1, and thus no new search should be necessary.
